

BCAS
TUESDAY
February 6, 2018
7 – 9 pm

Region 10, Sneffels Room
300 North Cascade St.
(northeast corner of Cascade and North 3rd)
Montrose, CO 81401

Black Canyon Astronomical Society
invites the public to
a workshop on

“Introduction to Amateur Astronomy Equipment”

**Members will have several different types of equipment
with an objective of providing information on the
benefits and features of each type.**

**This is in lieu of our normal
technical talk and business
meeting.**

**We are planning a follow-up
session, where participants can
bring their own equipment. Date
and venue to be determined.**
