

The Black Canyon Astronomical Society and NASA/JPL Solar System Ambassador, Brenda Harvey, invite the public to International Observe the Moon Night, a free night sky viewing event. We will have telescopes and binoculars available for public viewing. Visitors are also welcome to bring their own telescopes and/or binoculars.

WEATHER PERMITTING: This will be a great opportunity to take advantage of our early fall skies. In addition to the Moon, Jupiter, Saturn, star clusters, nebulae, and distant galaxies will also be visible.

Saturday, October 5th, 2019, 6 PM to 9 PM
Orchard City Town Park (Field of Dreams)
11245 2100 Road, Orchard City, CO 81410

Please bring warm clothing for after dark and refrain from using white flashlights around the telescope area. Park facing "out" at eastside if possible

BlackCanyonAstronomy.com or call 970 856-7716 or 970 589-0993

The BCAS thanks the Town of Orchard City for their cooperation in holding this event!
